

Account Management

□ **Alert Settings**

You can receive trade confirmation and price alerts to monitor the trading volume and price for your favourite securities through mobile phone or email.

(You personalized Alert Setting on the current iOCBC platform will need to be created in the new system when you first log in)

Alert Settings to set up for SMS and/or Email alerts

The screenshot shows the iOCBC Alert Settings page. At the top, there is a navigation bar with links: Speed Trade, Market Info, Trades, Portfolio, Account Mgmt, Share Financing, SBL, MA, IPO, Calculator. Below this is a sub-navigation bar: Alert Settings | Alert Mailbox | My Particulars | Change ID / Password | Account Details | Personalise. The main content area contains a disclaimer, a 'Stock Alert Left: 20' indicator, and instructions on how to set alerts. A table allows users to configure alerts for SMS and Email. A red box highlights the 'Active' checkbox and the 'Submit' button.

Alert Type	Active	Contact Information	Test Alert
SMS	<input type="checkbox"/>	Mobile No: <input type="text"/>	<input type="button" value="Send Test Alert"/>
Email	<input type="checkbox"/>	Email Address: <input type="text"/>	<input type="button" value="Send Test Alert"/>

Check on the Active status and enter your contact information, then click Submit

□ **Alert Mailbox**

View the alert message which were sent out

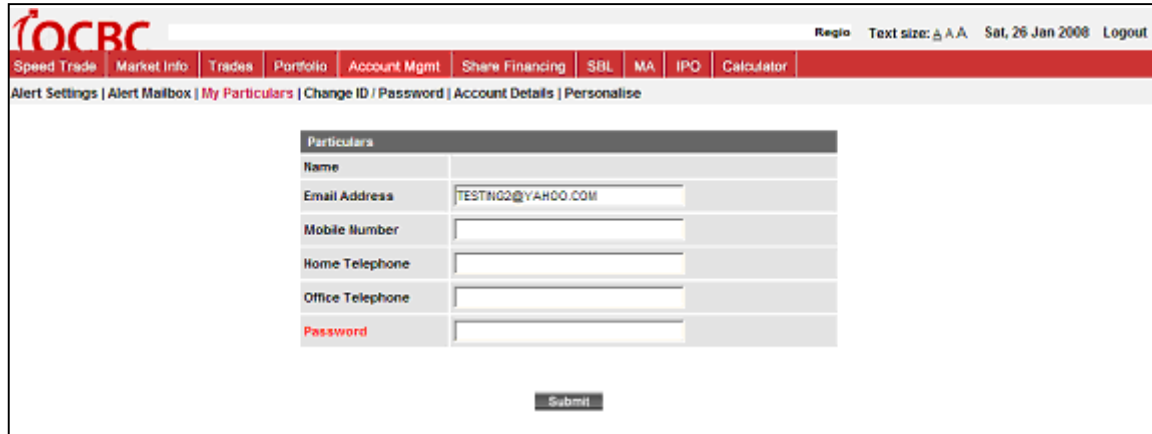

The screenshot shows the iOCBC Alert Mailbox page. It features a table with columns for Delete, Date, and Header. Below the table are 'Clear' and 'Delete' buttons.

Delete	Date	Header
<input type="checkbox"/>	28/01/2008 04:28:24 PM	Sell order for Yangzijiang with 500 done on 28 Jan 2008 16:01:31 at 1.360. The Order no is N5.
<input type="checkbox"/>	15/01/2008 05:42:37 PM	testing.. testing.. 123
<input type="checkbox"/>	15/01/2008 04:11:58 PM	STOCK ALERT: AURIC 15 Jan 2008 16:11 Last:1.280 Vol:10000 Chg:-0.020 Bid:1.280 BVol:10000 Sell:1.300 SVol:15000 Hi:1.280 Lo:1.280

❑ **My Particulars**

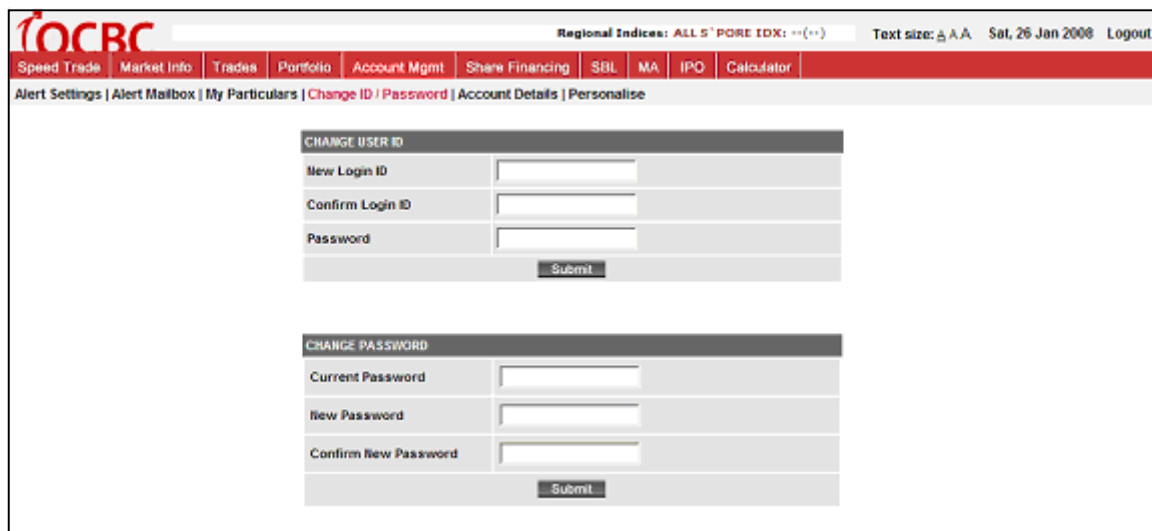

To update your contact details.

The screenshot shows the OCBC website interface. At the top, there is a navigation bar with links: Speed Trade, Market Info, Trades, Portfolio, Account Mgmt, Share Financing, SBL, MA, IPO, and Calculator. Below this is a secondary navigation bar with links: Alert Settings, Alert Mailbox, My Particulars (highlighted), Change ID / Password, Account Details, and Personalise. The main content area features a form titled 'Particulars' with the following fields: Name, Email Address (containing 'TESTING02@YAHOO.COM'), Mobile Number, Home Telephone, Office Telephone, and Password. A 'Submit' button is located at the bottom of the form.

❑ **Change ID / Password**

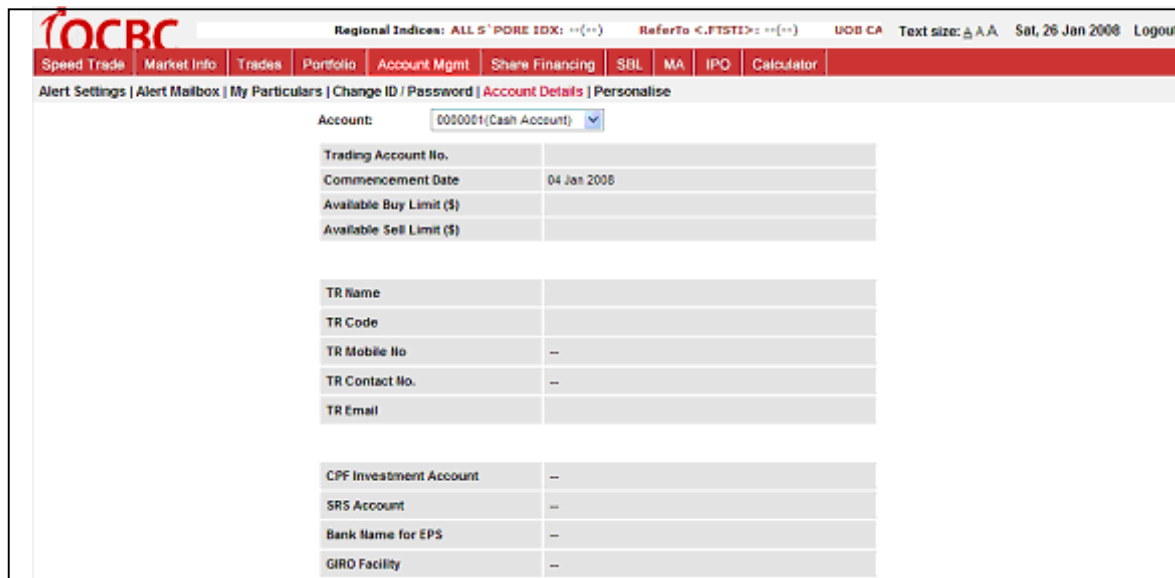

To change your Login ID and Password

The screenshot shows the OCBC website interface for the 'Change ID / Password' section. The navigation bar is identical to the previous screenshot. The secondary navigation bar highlights 'Change ID / Password'. The main content area contains two forms. The first form, titled 'CHANGE USER ID', has fields for 'New Login ID', 'Confirm Login ID', and 'Password', with a 'Submit' button below. The second form, titled 'CHANGE PASSWORD', has fields for 'Current Password', 'New Password', and 'Confirm New Password', with a 'Submit' button below.

❑ **Account Details**

To view the account details for all your online trading accounts

The screenshot shows the 'Account Details' page in the iOCBC system. At the top, there is a navigation bar with 'Account Mgmt' selected. Below the navigation bar, there are several tabs: 'Alert Settings', 'Alert Mailbox', 'My Particulars', 'Change ID / Password', 'Account Details', and 'Personalise'. The 'Account Details' section is active, showing a dropdown menu for 'Account' set to '0020001(Cash Account)'. Below this, there are two main sections of account information:

Trading Account No.	
Commencement Date	04 Jan 2008
Available Buy Limit (\$)	
Available Sell Limit (\$)	

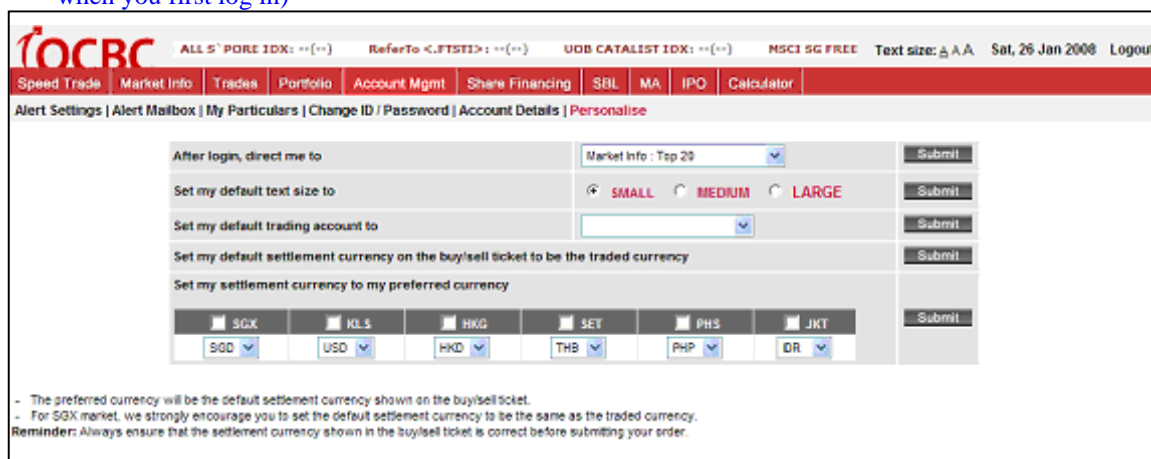

TR Name	
TR Code	
TR Mobile No	--
TR Contact No.	--
TR Email	

CPF Investment Account	--
SRS Account	--
Bank Name for EPS	--
GIRO Facility	--

❑ **Personalise**

- To personalize your default home page after login
- To set the default text size
- To set the default trading account
- To set the default settlement currency

(You personalized setting on the current iOCBC platform will need to be created in the new system when you first log in)

The screenshot shows the 'Personalise' page in the iOCBC system. At the top, there is a navigation bar with 'Personalise' selected. Below the navigation bar, there are several tabs: 'Alert Settings', 'Alert Mailbox', 'My Particulars', 'Change ID / Password', 'Account Details', and 'Personalise'. The 'Personalise' section is active, showing several settings that can be customized:

- After login, direct me to:** Market Info : Top 20 (with a dropdown arrow) and a 'Submit' button.
- Set my default text size to:** Radio buttons for SMALL, MEDIUM, and LARGE. 'MEDIUM' is selected. A 'Submit' button is next to it.
- Set my default trading account to:** A dropdown menu and a 'Submit' button.
- Set my default settlement currency on the buy/sell ticket to be the traded currency:** A 'Submit' button.
- Set my settlement currency to my preferred currency:** A row of checkboxes for SGX, KLS, HKG, SET, PHS, and JKT. Below each checkbox is a dropdown menu for the currency: SGD, USD, HKD, THB, PHP, and IDR. A 'Submit' button is next to this row.

Below the settings, there is a disclaimer:

- The preferred currency will be the default settlement currency shown on the buy/sell ticket.
 - For SGX market, we strongly encourage you to set the default settlement currency to be the same as the traded currency.
Reminder: Always ensure that the settlement currency shown in the buy/sell ticket is correct before submitting your order.
