

## Checking the Order Status

To check the status of your order, select Trades and click on to Today's Orders.

Check the 'Status' column for the status of the order, you may refer to the legend for the description.

You are required to check under "Qty" & "Qty Done" column to ensure that you have executed the correct quantity.

The screenshot shows the OCBC trading platform interface. At the top, there are market indices for PSEI, Indonesia (JSE INDEX), and Thailand (THAILAND SET). Below this is a navigation menu with options like Speed Trade, Market Info, Trades, Portfolio, Account Mgmt, Share Financing, SBL, MA, IPO, and Calculator. The 'Trades' section is active, showing 'Today's Orders'.

Below the navigation menu, there are filters for 'All Accounts', 'SGX', and 'All'. There are also buttons for 'Quick Withdrawal' and 'Refresh'. A timestamp indicates the data was last retrieved on Wed, Jan 30 2008 at 02:52 PM from iOCBC servers.
