

## Watchlist

The Watchlist function allows you to customize a list of your favourite securities. You can create up to 5 Watchlists with a total of 250 securities for you to monitor closely at a glance.

To access the Watchlist, click on “Market Info” and click on “Edit Watchlist”.

(Your personalised watchlist in the current iOCBC platform will need to be recreated in the new system.)

## Setting Alerts

To use Alerts, you must first set up the Alerts preference under Account Mgmt, Alert Settings. There are 2 features to iOCBC alerts:

- 1) Upon setting the Alert Settings, alerts will be generated automatically for each order received by iOCBC and each order submitted to the exchange.
- 2) Stock price alerts can be set up to monitor the volume and price level for specific counters.

**Alert Settings** to set up for SMS and/or Email alerts.

The screenshot shows the OCBC website header with the logo on the left and navigation links on the right. The navigation links include: Speed Trade, Market Info, Trades, Portfolio, Account Mgmt, Share Financing, SBL, MA, IPO, and Calculator. Below the navigation links, there is a link for 'Alert Settings' which is highlighted in red. Other links include Alert Mailbox, My Particulars, Change ID / Password, Account Details, and Personalise.
